GENERAL INFORMATION

Induct® EXO Peanut is a naturally occurring, non-pathogenic *Rhizobium* bacterium. It is a symbiotic nitrogen-fixing bacterium, to be applied as a seed treatment, prior to planting Peanuts or in-furrow when planting. Induct® EXO Peanut is not a plant food product.

DIRECTIONS FOR USE

- Use before expiration date.
- Shake Induct® EXO Peanut container well before use to ensure a uniform suspension. Settling of bacteria is normal during storage.
- Induct® EXO Peanut can be used with either Bio-Shield® XT which is a bacterial extender at specified label rates.
- Once opened, use the entire contents of the container within 24 hours.
- Induct® EXO Peanut may be applied in combination with other seed treatment products. For allowable time on seed prior to planting refer to www.mbf.i

Application Rate: 1.0 fl oz of Induct® EXO Peanut inoculant per 1,000 feet of row.

Application table:

Row Width	Rate of Induct® EXO Peanut (fl.oz/acre)	Acres treated by 540 fl oz Case	Acres Treated by 135 fl oz Bladder
30"	17	31.8	8
36"	15	36	9
38"	14	38.6	9.7
40"	13	41.5	10.4

Apply Bio-Shield® XT at the rate of 0.47 fl oz per acre.

STORAGE AND DISPOSAL

This product must be stored between 41 and 72°F (5 and 22°C). Failure to do so will cause irreversible damage and render the product unfit for use. Keep containers sealed when not in use. Store in original container only. Do not reuse empty container. Rinse container thoroughly prior to disposal. Dispose of rinsate and container in accordance with local, state, and federal regulations.

Keep out of direct sunlight. Components lose sterility after opening.

NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: To be read prior to using this product. The directions should be followed carefully together with good application practice. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Able Ag Solutions, LLC (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions for Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of products or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
