Derived from: Cobalt sulfate, Iron sulfate, Manganese sulfate, Sodium molybdate and Zinc sulfate.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS

<i>Trichoderma asperellum*</i>	1.0%
Total Other Inert Ingredients.....	89.1%

*Contains a minimum of 8×10^8 spores/g

Talc/Polymer in an 80:20 ratio

GENERAL INFORMATION

Priority PLUS Corn contains a naturally occurring, symbiotic, non-pathogenic *Trichoderma asperellum* fungus. It is a dry seed treatment biostimulant and seed flow aid that supports enhanced plant growth by solubilizing soil nutrients, rendering them more accessible to plants, stimulating increased root development and improving plant growth. Additionally, it contains vital nutritional supplements that aid seedling emergence and vigor.

NET CONTENT

50 UNIT CASE

100 oz (2.84 kg)

Treats 2,500# (1,134 kg) of seed

MBFi

Manufactured, Distributed and Guaranteed by:
MBFi LLC, 4006 South 40th Street,
St. Joseph, Missouri, 64503 | www.mbf.bio

DIRECTIONS FOR USE

Use before the expiration date. One measuring scoop, included, holds approximately 2 oz of Priority PLUS Corn and treats approximately 80,000 seeds. Once opened, use the entire contents of the container within 24 hours. **When utilizing commercial seed treatment** equipment, refer to the calibration information of the equipment being used to achieve the desired application rate. Priority PLUS Corn must be applied separately from the application of other seed treatment products in a wet or dry sequential method. Using a separate dispensing mechanism from other treatments being applied, use Priority PLUS Corn at the endpoint after the last liquid product has been treated and before the polishing drum. **For planter box treatment**, apply Priority PLUS Corn directly to seed in the planter hopper and add sufficient product to the seed according to the below dosage rates. Mix the treatment a few times with a paddle to ensure thorough coverage of the seed. Protect treated seed from direct sunlight. Priority PLUS Corn may be applied in combination with other seed treatment products. Contact an MBFi representative for the latest compatibility chart and recommendations on the use of these compatible product combinations.

RECOMMENDED APPLICATION RATES

Corn

Apply at a rate of 4 oz per 100 lbs of seed
(2 oz per 80,000 seeds).

WARNING / AVISO

Si Usted no entiende la etiqueta, busque a alguien para que se la explique a Usted en detalle. (If you do not understand the label, find someone to explain it to you in detail).

This fertilizer is to be used only on soil which responds to Molybdenum (Mo). Crops high in Molybdenum (Mo) are toxic to grazing animals (ruminants).

PRECAUTIONARY STATEMENTS

Read the label before use. If medical advice is needed, have a product container or label at hand. Wash hands thoroughly after handling. Wear eye protection and face protection. Avoid breathing dust. Use only outdoors or in a well-ventilated area. Wash protective equipment and work clothes thoroughly after handling.

STORAGE AND DISPOSAL

This product must be stored between 40 and 80 °F (4 and 27 °C). Failure to do so will cause irreversible damage and render the product unfit for use. Keep containers sealed when not in use. Store in the original container only. Do not reuse the empty container. Rinse the container thoroughly prior to disposal. Dispose of rinsate and container in accordance with local, state, and federal regulations. Keep out of direct sunlight. Components lose sterility after opening.

WARRANTY

MBFi LLC ("MBFi") warrants that this Product conforms to the chemical description on this label and is reasonably fit for the purposes stated when used according to label directions and under normal conditions of use. MBFi and the Seller make no other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose. The Buyer and User accept all risks associated with the use of this Product. To the extent permitted by law, MBFi and the Seller shall not be liable to the Buyer or User for any consequential, special, incidental, or indirect damages.
